

**BUFFALO OUTDOOR CENTER
RV CAMPGROUND PET POLICY:**

PETS:

Up to 3 pets are welcome to stay with you at your RV campsite. Your pet (s) must be on a leash at all times when outside of your RV. Pet waste must be immediately picked up whether within the RV campground or on the walking trail. Pet waste bags are available from a dispenser located near the bathhouse.

Pet fences are not permitted at campsites within in the campground. Do not leave a tethered dog unattended.

Good behavior is required. A dog that barks excessively and/or exhibits aggressive behavior will need to be removed by the owner from the campground for the duration of the reservation. Please note that a refund is unavailable for a vacated RV site(s).

Rottweilers, pit bulls, dobermans, german shepherds, chows and wolf hybrids are not permitted. Service animals are an exception to this breed exclusion policy; however, leash and behavior rules apply.

EXOTIC PETS:

Exotic animals will be determined under our sole discretion. An exotic pet **MUST** be pre-approved by us before it will be allowed into the campground. Please let us know when making your reservation if you plan to travel with a pet that is not a dog or cat.

Please Note: pets are not allowed on the National Park Service trails. However, pets are allowed on leashes in National Park Service campgrounds. Or, if you are floating the Buffalo River, your pet may ride with you in the boat without a leash. Pets are, however, permitted on trails within the National Forest. Please ask our staff for directions to this area.
